**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a small photography business in the Bay Area. It is essential to my business to upload photo files to my clients over Sonic's fast network. If Sonic is affected by these proposed new rulings, my business will be impacted by higher internet costs and/or slower speeds. I chose Sonic because they are a small provider trying to help small business like myself, and are an alternative to the big Corp. providers here.
Thank you for your consideration.
